**Engine:** 2 Volvo IPS 320.0 kW 435 hp each

**Hours:**

**Lying:**

## OVERVIEW

Great boats come from great genes. What would prompt us to pursue such a tangent and create a new kind of boat like the SUV? Well, right away, this is not just us at Riviera sitting around blue-skying these notions. As you may be well aware, we go to great lengths to constantly talk with owners around the world (over 50 percent of our boats are shipped internationally) about the way they use their vessels— or might like to. It just relentlessly improves the breed. And there seems to be, in recent times, a sizeable group of owners who really warm to such a crossover craft. This has inevitably led us to create what is probably a world first, with the Riviera SUV. In many ways, it's really your idea. The new 445 SUV is in all respects a true embodiment of Riviera heritage. By this we mean that all the familiar— and reassuring — aspects of classic Riviera boatbuilding are there: the purposeful lines, the hefty scantlings, the so...
